COLLECTION

A U S T R A L I A

WHY CHOOSE THE PLANTINO COLLECTION?

The Plantino Collection is inspired by nature, allowing you to bring the outdoors in with the latest designs in timber and laminate.

The Plantino Collection is loved by designers for its stunning designs and versatility that it provides for your home.

Products within The Plantino Collection are classic looks that will last a lifetime. With a wide range of timber and laminate designs, you're sure to find the right flooring solution for your space.

There is nothing more luxurious than natural timber underfoot; the timber designs featured within The Plantino Collection will provide timeless looks and enduring properties to your home.

If you want to bring the beauty and simplicity of timber into your home for less, then laminate flooring may be better suited for you.

LAMINATE

Care & Maintenance Guide

Laminate flooring is incredibly resistant to day-to-day wear and tear and is both easy and cost efficient to maintain properly. The following maintenance guidelines will help to ensure that your laminate flooring always looks its very best.

PREVENTATIVE CARE TIPS

When moving heavy furniture or items back into position after the installation has been completed, use rigid protective sheets on the surface of your floor and avoid sliding or dragging furniture or appliances into place.

In high traffic areas, make use of a runner or area rug. To prevent scratching, use felt protectors under heavy pieces of furniture and chairs that are frequently moved.

You may also want to consider installing window furnishings that will protect your floor from strong sunlight as laminate flooring can become discoloured when exposed to daily sunlight.

REGULAR MAINTENANCE

Sweep or vacuum (bristles down) as often as necessary to remove any loose dirt or grit before it can scratch the surface of your floor. If a spill occurs, promptly wipe it up with damp cloth or damp mop, be sure to ring out any excess water.

Do not use abrasive cleaners, steel wool, or scouring

CLEANING KIT

We recommend using a manufacturer approved cleaning kit on your laminate flooring. Check with your Choices Flooring sales consultant on which product is right for your flooring.

There is a variety of cleaning products available that are practical and easy to use.

Blends style and strength

Plantino Laminate Eaton flooring effortlessly blends style and strength, drawing inspiration from the robust beauty of the natural world. Plantino Laminate invites you to immerse yourself in untouched landscapes, bringing nature's serenity right into your home, with durability needed for the demands of modern family life and many carefully chosen designs.
